

Pendragon Pre-school News Letter

22nd March 2024

Preschool have been talking about people who help us. Last week we had a visit from our local police officers. They spoke to us about their job and how they keep us safe, they also spoke about road safety. The preschoolers were very lucky they got to dress as officers and also got to sit in the police car and press the buttons that operated the sirens and lights.

We also had a visit from the hedgehog hospital in Shepworth. A lady called Terri spoke to the children about how she helps the hedgehogs and where they live and what they eat. She told us how we can help them in the environment. Terri showed the children how to build a log pile house for hedgehogs to live in.

On Thursday we had Alison in from Sunny Steps she has written a book and shared it with the children at story time. At the end of the story she retold the story through dance.

Wow Words & Letters and Sounds

The current WOW words are '**Emergency**' and '**Promise**'.

These were chosen because we are talking about people who help us and we read the book "A Tadpoles Promise". Our wow words will continue until the children have retained the meaning of the word.
