## Year 6 – Miss Jupe, Mrs Huntley and Miss Scott

### National Curriculum

As **readers**, we will be reading *The Arrival* by Shaun Tan. This is a picture book depicting a story of migration. We will be using this to inspire our writing units. In addition, we will be reading a variety of texts (fiction, non-fiction and poetry) and practice answering SAT-style questions on these in our daily Guided Reading sessions.

As **artists** we will be learning about perspective drawing. We will be learning about the vanishing point and considering the role of the horizon in our drawings.

As **historians**, we will be learning about leisure and entertainment throughout the 20<sup>th</sup> century. This is a really exciting unit where we learning about the following aspects of history and the influences that have developed them: film and television, holidaying, music, dance and toys.

As **Musicians**, we will be learning the song 'You've got a friend' by Carole King. We will be learning the song in parts and using instruments to compose a section to accompany an instrumental part.

In **PE**, we will develop skills in football and gymnastics.

As **Mathematicians**, we will be developing our previous knowledge of 2D and 3D shape by talking about vertices, edges and faces. We will also learn how to calculate the perimeter, area and volume. In addition, we will use angle knowledge to solve problems about a range of shapes. We will continue applying our learning to SAT-style questions so we become more familiar with the papers.

*Spring!*  
*Let me entertain you!*

In **Computing**, we will be using Purple Mash to develop quizzes.

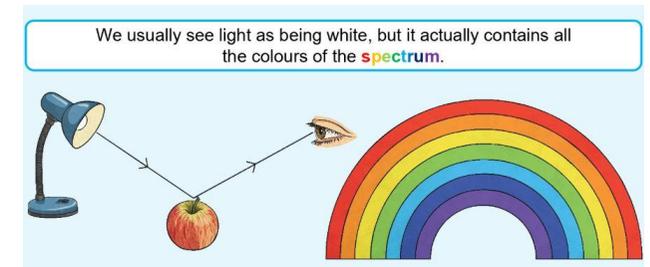

In **PSHE**, we will be discussing the topic of 'Financial capability'. In this unit the children understand pay, pensions, tax and other financial commitments.

As **Writers** we will be using *The Arrival* to inspire narrative and letter writing. In our narrative unit, we will be learning about the techniques used to create suspense. In our letter writing, we will be looking at the structure of a letter and focusing on character emotions. Throughout these units we will be recapping and developing our grammar knowledge.

In **French** we will be learning vocabulary associated with saying what others and I do. This includes learning about New Year traditions in French-speaking countries. In all lessons, we will also be learning French phonics to support with the development of our pronunciation.

In **RE** we will be learning about Buddhism. We will learn about where and when Buddhism started; their beliefs about dieties' nirvana, reincarnation and the pathways by which they follow for their life.

As **Scientists**, we will be learning about Light. In this unit, we will be covering natural and artificial sources of light, luminous materials, how we see, reflection and refraction, and the spectrum of light.

## PE Lessons

Snow Leopards PE days

Outdoor PE: Tuesday

Indoor PE: Friday

Mountain Lions PE days

Outdoor PE: Tuesday

Indoor PE: Friday

All uniform and kit must be named or it is impossible to reunite it with your child if it gets muddled up! If your child has long hair, please ensure they have a hair band, as long hair must be tied back for PE. It is expected that all children can remove watches/earrings for PE. If your child is unable to remove their own stud earrings these should be removed at home on PE days or micropore tape provided so they can cover them.

Thank you for your support with this.
